

OAKLAND COUNTY FEDERAL AID TASK FORCE

DATE: October 23, 2008

TO: FUNDING COMMITTEE MEMBERS, ALTERNATES, CITIES, VILLAGES and TOWNSHIPS IN OAKLAND COUNTY

FROM: David A. Evancoe – Chairperson

RE: **CALL FOR PROJECTS: FY 2013**

The Oakland County Federal Aid Task Force met on October 10, 2008 and issued a call for projects in the following categories: **Restoration, Resurfacing, Rehabilitation (RRR), Reconstruction (4R), and Next Phase STPU projects for FY 2013.** A call was not made for Category C.

The next Oakland County Federal Aid Funding Committee will be meeting on Wednesday, February 24, 2009 for the purpose of approving submitted projects for federal aid funding. **Project submissions are due no later than Friday, January 16, 2009.**

Please visit our website at www.oaklandfac.org for the current forms.

Surface Transportation Program – Urban (STPU)

The STPU targets for FY 2013 are not yet available. However, due to the current downturn in the national and local economy, we expect targets to be near or below the \$18.4 million level estimate for FY2012. **The Task Force has voted to accept only Next Phase project submissions for FY 2013.** For next phase STPU projects please submit an updated Project Activity Cost Estimates (PACE) form.

Pave Gravel

The Funding Committee sets aside \$1.5 million in STPU funding each fiscal year for gravel road paving projects on county roads.

RRR/4R

The Funding Committee generally sets aside \$4 million in STPU funding each fiscal year for RRR and 4R projects in the urban area. However, this is subject to change by the Funding Committee.

Urban to Rural Transfer

In addition, \$0.5 million is set aside each fiscal year for the Road Commission for Oakland County (RCOC) to fund projects in the Rural Area.
