Surface Transportation Program – Urban (STPU) Target

SEMCOG anticipates the STPU target for FY 2020 to be approximately \$16 million.

Set-Asides

The Funding Committee sets aside \$2 million in STPU funding each fiscal year for gravel road paving projects on county roads, as well as \$500 thousand for urban to rural transfer.

If you have any questions regarding the forms or the process, please contact Sarah Plumer at [SPlumer@rcoc.org](mailto:SPlumer@rcoc.org) at 248-645-2000 extension 2215.
