RE: CALL FOR FEDERAL AID PROJECTS: FISCAL YEAR 2021

Dear Task Force Members:

The Oakland County Federal Aid Task Force met on October 3, 2017 and issued a call for **Restoration, Resurfacing, Rehabilitation (RRR) projects for fiscal year 2021. Project application submissions are due no later than Friday, January 16, 2018 at 4:00 PM.**

Submit to:
Road Commission for Oakland County
Attn: Sarah Plumer
Planning and Environmental Concerns Dept.
31001 Lahser Road
Beverly Hills, MI 48025

Forms

Please note that the 3R Project Activities Cost Estimate (PACE) form is available as a fillable Excel file which will perform calculations automatically. Also, construction activity costs should be generally in line with MDOT’s most recent Pay Item Code costs.

Please ensure submissions are completed on the current worksheet by downloading them from our website at www.oaklandfac.org and navigating to “Forms”.

Surface Transportation Program – Urban (STPU) Target

SEMCOG anticipates the STPU target for FY 2021 to be approximately \$16 million.

Set-Asides

The Funding Committee will set aside 69% (approximately \$11,000,000) in STPU funding for projects on county roads. The remaining 31% (approximately \$5,000,000) will be available for Cities and Villages to prioritize projects based on the 3R project rating worksheets.

If you have any questions regarding the forms or the process, please contact Sarah Plumer at SPlumer@rcoc.org at 248-645-2000 extension 2215.

Sincerely,

David A. Evancoe, AICP/ASLA
