Surface Transportation Program – Urban (STPU) Target

SEMCOG anticipates the STPU target for FY 2022 to be approximately \$17.8 million.

Set-Asides

The Funding Committee will set aside 69% (approximately \$12.3 million) in STPU funding for projects on county roads. The remaining 31% (approximately \$5.5 million) will be available for Cities and Villages to prioritize projects based on the 3R project rating worksheets.

If you have any questions regarding the forms or the process, please contact Sarah Plumer at [SPlumer@rcoc.org](mailto:SPlumer@rcoc.org) at 248-645-2000 extension 2215.

Sincerely,
